CHRISTMAS PARTY

Thursday, December 4, 1980

On Thursday night, December 4th, the Amherst Alumni Association of Washington, DC will hold a joint Christmas party at the Potomac Boat Club with area alumni from Williams and Bowdoin. The party, from 7:30 to 10:30 p.m., will feature a six piece band, hors d'oeuvres, and a reasonably priced cash bar. Dress is sportcoats and cocktail dresses.

As indicated on the map below, the Potomac Boat Club is located underneath the Whitehurst Freeway in Georgetown. Its dance floor and rear balcony have a spectacular view overlooking the Potomac, and there is ample space for large crowds. A sweater or jacket is recommended for the ladies if they will wish to step out onto the rear balcony during the party.

The charge to each alumnus/a will be determined by year of graduation and, to encourage early responses so that the party can be planned better, by whether payment is made in advance by mail or is made at the door. For Classes graduating in 1976 or thereafter, the charge will be \$3 per person by mail or \$5 per person at the door. For Classes up to and including 1975, the charge will be \$5 or \$7, respectively.

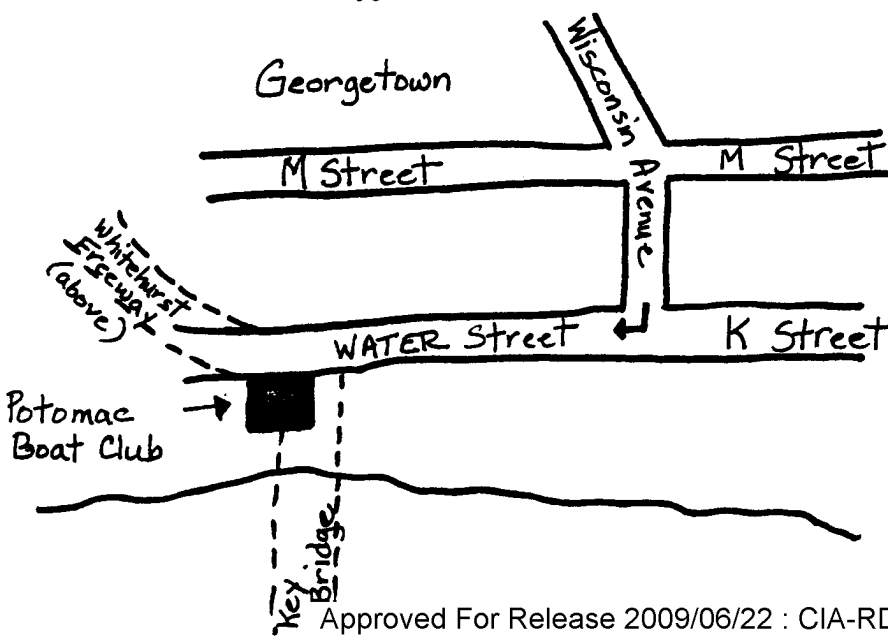

Any questions concerning this activity should be telephoned to Henry Hart '72 at 296-5680 (office).

Cordially,

Ed Lyle

ALUMNI NEWS LETTER

Wine Tasting

To inject some variety into its annual calendar of events, the Alumni Association will not hold its usual fall wine tasting with Wheaton College this year. A joint Christmas party with Williams and Bowdoin, described elsewhere in this mailing, is being planned instead. The officers tentatively plan to resume the Amherst-Wheaton wine tasting next fall, however.

Alumni Association Treasurer

The officers at this time are seeking nominations of individuals to serve as treasurer of the Alumni Association beginning in fall 1981. The treasurer maintains the books of the Association and is otherwise responsible for all tax and financial matters concerning it. Individuals wishing to serve in this post, or to nominate another to serve, should contact the present treasurer, Christopher Roberts '72, at 565-4400 (office).

Alumni Committee on Admission

Also present in the Metropolitan Washington area is Amherst's Alumni Committee on Admission, which operates in association with the Office of Admission of the College. This organization, which now numbers approximately 25, is looking for additional alumni/ae interested in interviewing applicants to Amherst from local high schools and prep schools. An interview normally is conducted on a one-on-one basis between the committee member and applicant, after which the committee member submits a brief report on the applicant to the College. That report is placed in the applicant's folder and is reviewed by Admission Dean Edward B. Wall and his staff when selecting the next class for Amherst. On the average, each committee member interviews five applicants a year, although some members interview considerably more.

The Alumni Committee on Admission is divided into three groups: one for students attending schools in Virginia, one for Maryland, and one for the District of Columbia. Interview assignments are made on the basis of where the student's school is located, not where the student lives.

Alumni/ae wishing to join the Committee should contact the following individuals at their homes: for Virginia schools, Nathan Fitts '39 [redacted]; for Maryland schools, Nan King '63 [redacted]; for District of Columbia schools, Ed Lyle '65 [redacted] answering service from 9:00 a.m. to 5:00 p.m.).

Cocktail Party

STAT

In the exploratory stage at this point is a possible joint cocktail party for single alumni/ae in late February 1981 with counterparts from other colleges or universities--not necessarily located in the northeastern United States. To save mailing costs, details of this event would be sent in a January 1981 mailing only to area alumni/ae graduating in the year 1968 and thereafter. Any older alumni who are single and would wish to attend this event may, however, request to be added to this special mailing list by telephoning Frank Gordon '74 at [redacted] (home). Anyone desiring to assist in planning this event should also contact Mr. Gordon at that number.
